

Las Hermanas is based in the heart of the beautiful Argentine countryside, near the town of Lobos, just 50 minutes from Buenos Aires International Airport.

Las Hermanas is an elegant Tuscan style house stretching to 133m² and finished to an exceptionally high standard throughout.

You will arrive through long avenues of mature trees and a cobbled drive. Within the main house there are 4 beautiful Principle double en-suite bedrooms, 1 more double en-suite, 2 twin and 2 dormitories, each sleeping 4 with an extra 2 pull out beds, along with their own shower room and bathroom. A large open plan living/dining area, playroom, boot room, kitchen and laundry. Beautiful covered patios surround the house with alfresco seating.

Las Hermanas has a separate school house for those that are studying. This consists of 2 bedrooms, 2 classrooms, a shower room and kitchenette.

In total the house sleeps 14 adults and 12 children in the main house. Another 4 can be accommodated in the school house.

Emilia and Mario have run Las Hermanas since it was built, and are overseen by Maria Fernandez Llorente.

Las Hermanas has a large lawn which is used for croquet, football and handstick polo on a daily basis. There is a mature orchard and a very productive vegetable garden.

Across from the house you will find a swimming pool with a kitchenette and changing room.

There is also a quincho (outside playroom) with a snooker table and other games available.

A short walk from the house is the Las Hermanas polo field, with a gazebo type viewing platform, a perfect place to relax and watch the polo.

Las Hermanas is the perfect setting for a relaxing polo playing family holiday.

The polo is run by Tito Fernandez Llorente. He has been the polo tutor here for the past 15 years, both adults and children love him!
